ARTICLE 2—USE OF ONLINE SERVICES

2.1 License to Online Services. Esri grants Licensee a personal, nonexclusive, nontransferable, worldwide license to access and use Online Services as set forth in the applicable Ordering Documents (i) for which the applicable license fees have been

paid (if required), (ii) for Licensee's own internal use by Licensee and Licensee's Named Users or Anonymous Users (if applicable), and (iii) in accordance with this License Agreement and the licensed configuration on file as authorized by Esri.

2.2 Provision of Subscription Online Services. For subscription Online Services, Esri will

- a. Provide Online Services to Licensee in accordance with the Documentation;
- b. Provide customer support in accordance with Esri's standard customer support policies and any additional support Licensee may purchase; and
- c. Use commercially reasonable efforts to ensure that Online Services will not transmit to Licensee any Malicious Code, provided Esri is not responsible for Malicious Code that was introduced to Online Services through Licensee's account or through third-party Content.

2.3 Licensee's Responsibilities. Licensee shall be responsible for Named Users' compliance with this Agreement. Licensee and Licensee's Named Users or Anonymous Users (if applicable) are the only persons authorized to access Online Services through Licensee's accounts. Named Users' login credentials are for designated Named Users only and may not be shared among multiple individuals. Named Users' login credentials may be reassigned to new Named Users if the former users no longer require access to Online Services. Licensee and Licensee's Named Users are responsible for maintaining the confidentiality of Authorization Codes, Access Codes, Named Users' login credentials, or any other method that is provided that enables access to Online Services and for ensuring that unauthorized third parties do not access Licensee's account. Licensee will immediately notify Esri if Licensee becomes aware of any unauthorized use of Licensee's account or any other breach of security.

2.4 Prohibited Uses of the Online Services. In addition to the prohibited uses under the License Agreement, Licensee shall not (i) attempt to gain unauthorized access to the Online Services or assist others to do so; (ii) use Online Services for spamming, to transmit junk e-mail or offensive or defamatory material, or for stalking or making threats of physical harm; (iii) use Online Services to store or transmit software viruses, worms, time bombs, Trojan horses, or any other computer code, files, or programs designed to interrupt, destroy, or limit the functionality of any computer software, hardware, or telecommunications equipment ("Malicious Code"); (iv) mirror, reformat, or display Online Services in an attempt to mirror and/or make commercial use of Online Services except to the degree that Online Services directly enable such functionality; (v) share the client-side data cache derived from Online Services with other licensed end users or third parties; (vi) distribute the client-side data cache derived from Online Services to third parties; (vii) manually or systematically collect or scrape (screen or web scraping) Content from Online Services; (viii) use ArcGIS Online Map Services, Geocoding Services, or Routing Services in communication with any in-vehicle navigation system installed in a vehicle (this does not include portable navigation devices) or that provides real-time, dynamic routing to any device. For instance, these Services may not be used to alert a user about upcoming maneuvers (such as warning of an upcoming turn) or to calculate an alternate route if a turn is missed; or (ix) incorporate any portion of Online Services into a commercial product or service unless the commercial product adds material functionality to Online Services.

2.5 Evaluations. Esri may provide licenses to use certain Services for Licensee's internal evaluation purposes. Such licenses continue until the stated evaluation period expires or until Licensee purchases a subscription, whichever occurs first. IF LICENSEE DOES NOT CONVERT LICENSEE'S EVALUATION LICENSE TO A SUBSCRIPTION PRIOR TO EXPIRATION OF THE EVALUATION TERM, ANY CONTENT AND CUSTOMIZATIONS THAT LICENSEE UPLOADED OR MADE DURING THE EVALUATION TERM WILL BE PERMANENTLY LOST. IF LICENSEE DOES NOT WISH TO PURCHASE A SUBSCRIPTION, LICENSEE MUST EXPORT SUCH CONTENT BEFORE THE END OF LICENSEE'S EVALUATION PERIOD.

2.6 Modifications of Online Services. Esri reserves the right to alter or modify Online Service(s) and related APIs at any time. If reasonable under the circumstances, Esri will provide thirty (30) days' prior notice of any material alterations.

2.7 Discontinuation or Deprecation of Online Services. Esri reserves the right to discontinue or deprecate an Online Service(s) and related API(s) at any time. If reasonable under the circumstances, Esri will provide ninety (90) days' prior notice of any Online Service discontinuation or deprecation. Esri will attempt to support any deprecated APIs for up to six (6) months, unless there are legal, financial, or technological reasons not to support them.

2.8 If any modification, discontinuation, or deprecation of Online Service(s) causes a material, adverse impact to Licensee's operations, Esri may at its sole discretion attempt to repair, correct, or provide a workaround for Online Services. If a viable

solution is not commercially reasonable, Licensee may cancel its subscription to Online Services, and Esri will issue a prorated refund.

2.9 Attributions. Licensee is not permitted to remove any Esri or Esri's licensors' logos or other attribution associated with any use of ArcGIS Online Services.

ARTICLE 3—TERM AND TERMINATION

The following supplements Article 5—Term and Termination of the License Agreement:

3.1 Term of Subscriptions. The term of any subscription will be provided in the Ordering Document under which it is purchased or in the Online Services description referenced therein.

3.2 Subscription Rate Changes. Monthly subscription rates may be increased upon thirty (30) days' notice. Esri may increase rates for subscriptions with a term greater than one (1) month by notifying Licensee at least sixty (60) days prior to expiration of the then-current subscription term.

3.3 Service Interruption. Licensee's access (including access on behalf of Licensee's customers) to and use of Online Service(s) may be temporarily unavailable, without prior notice, for any unanticipated or unscheduled downtime or unavailability of all or any portion of Online Services, including system failure or other events beyond the reasonable control of Esri or its affiliates.

3.4 Service Suspension. Esri and its affiliates shall be entitled, without any liability to Licensee, to suspend access to any portion or all of Online Services at any time on a service-wide basis (a) if Licensee breaches the License Agreement; (b) if Licensee exceeds usage limits and fails to purchase additional license capacity sufficient to support Licensee's continued use of Online Services as described in Article 5 of this Addendum; (c) if there is reason to believe that Licensee's use of Online Service(s) will adversely affect the integrity, functionality, or usability of the Online Service(s); (d) if Esri and its licensors may incur liability by not suspending Licensee's account; (e) for scheduled downtime to conduct maintenance or make modifications to Online Service(s); (f) in the event of a threat or attack on Online Service(s) (including a denial-of-service attack) or other event that may create a risk to the applicable part of Online Services; or (g) in the event that Esri or its affiliates determine that Online Services (or portions thereof) are prohibited by law or otherwise that it is necessary or prudent to do so for legal or regulatory reasons. If feasible under these circumstances, Licensee will be notified of any Service Suspension beforehand and allowed reasonable opportunity to take remedial action.

3.5 Esri is not responsible for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Licensee or any Licensee customer may incur as a result of any Service Interruption or Service Suspension.

ARTICLE 4—LICENSEE'S CONTENT, FEEDBACK

4.1 Licensee's Content. Licensee is solely responsible for the development, operation, and maintenance of Licensee's Content and for all materials that appear on or in any of Licensee's Content. Licensee retains all right, title, and interest in Licensee's Content. Licensee hereby grants Esri and Esri's licensors a nonexclusive, nontransferable, worldwide right to host, run, and reproduce Licensee's Content solely for the purpose of enabling Licensee's use of Online Services. Without Licensee's permission, Esri will not access, use, or disclose Licensee's Content except as reasonably necessary to support Licensee's use of Online Services, respond to Licensee's requests for customer support, or troubleshoot Licensee's account or for any other purpose authorized by Licensee in writing. If Licensee accesses Online Services with an application provided by a third party, Esri may disclose Licensee's Content to such third party as necessary to enable interoperability between the application, Online Services, and Licensee's Content. Esri may disclose Licensee's Content if required to do so by law or pursuant to the order of a court or other government body, in which case Esri will reasonably attempt to limit the scope of disclosure. It is Licensee's sole responsibility to ensure that Licensee's Content is suitable for use with Online Services and for maintaining regular offline backups using the Online Services export and download capabilities.

4.2 Removal of Licensee's Content. Licensee will provide information and/or other materials related to Licensee's Content as reasonably requested by Esri to verify Licensee's compliance with this License Agreement. Esri may remove or delete any portions of Licensee's Content if there is reason to believe that uploading it to, or using it with, Online Services violates this License Agreement. If reasonable under these circumstances, Esri will notify Licensee before Licensee's Content is removed.

Esri will respond to any Digital Millennium Copyright Act take-down notices in accordance with Esri's Copyright Policy, available at http://www.esri.com/legal/dmca_policy.

4.3 Sharing Licensee's Content. Licensee hereby grants to any third parties with whom Licensee elects to share Licensee's Content using Sharing Tools the right and license to use, store, cache, copy, reproduce, (re)distribute, and (re)transmit Licensee's Content through Online Services subject to any terms of use and access restrictions that Licensee provides with Licensee's Content. ESRI IS NOT RESPONSIBLE FOR ANY LOSS, DELETION, MODIFICATION, OR DISCLOSURE OF LICENSEE'S CONTENT RESULTING FROM LICENSEE'S NAMED USERS' MISUSE OF SHARING TOOLS OR ANY OTHER SERVICE COMPONENTS. LICENSEE'S USE OF SHARING TOOLS IS AT LICENSEE'S SOLE RISK.

4.4 Retrieving Licensee's Content upon Termination. Upon termination of the License Agreement or any trial, evaluation, or subscription, Esri will make Licensee's Content available to Licensee for download for a period of thirty (30) days unless Licensee requests a shorter window of availability or Esri is legally prohibited from doing so. Thereafter, Licensee's right to access or use Licensee's Content with Online Services will end, and Esri will have no further obligations to store or return Licensee's Content.

ARTICLE 5—LIMITS ON USE OF ONLINE SERVICES; SERVICE CREDITS

Esri may establish limits on the Online Services available to Licensee. These limits may be controlled through Service Credits. Service Credits are used to measure the consumption of ArcGIS Online services made available through Licensee's account. The maximum Service Credits provided with Licensee's ArcGIS Online account will be addressed in the applicable Ordering Document. Esri will notify Licensee's account administrator when Licensee's Service consumption reaches approximately seventy-five percent (75%) of the Service Credits allocated to Licensee through Licensee's subscription. Esri reserves the right to suspend Licensee's account when consumption reaches one hundred percent (100%) of the Service Credits allocated to Licensee's subscription. Licensee's access to the account will be restored immediately upon the completion of Licensee's purchase transaction for additional Service Credits for the subscription account.

ARTICLE 6—ONLINE CONTENT; THIRD-PARTY CONTENT AND WEBSITES

6.1 Online Content. ArcGIS Online Data is included as a component of Online Services and is licensed under the terms of the License Agreement.

6.2 Third-Party Content and Websites. Online Services and ArcGIS Website may reference or link to third-party websites or enable Licensee to access, view, use, and download third-party Content. This Agreement does not address Licensee's use of third-party Content, and Licensee may be required to agree to different or additional terms in order to use third-party Content. Esri does not control these websites and is not responsible for their operation, content, or availability; Licensee's use of any third-party websites and third-party Content is *as is*, without warranty, and at Licensee's sole risk. The presence of any links or references in Online Services to third-party websites and resources does not imply an endorsement, affiliation, or sponsorship of any kind.

ARTICLE 7—LICENSEE'S WARRANTIES

Licensee warrants that Licensee's Content or use of Online Services with a product, process, or system not supplied by Esri or specified by Esri in its Documentation will not (i) infringe or misappropriate any third-party intellectual property rights or proprietary rights, (ii) violate any third party's privacy rights or any applicable law, or (iii) contain or transmit to a third party any Malicious Code. Except as prohibited by applicable law, Licensee agrees to defend, indemnify, and hold harmless Esri from and against any claim, action, liability, or demand arising out of a breach of the foregoing warranties.

ARTICLE 3—RESTRICTIONS AND EXCLUSIONS

3.1 Defense or Military Application. Licensee must inform Esri if PSS will be directly related to a defense article as defined in 22 C.F.R. § 120.6 or for a military application, before Esri provides support.

3.2 Excluded Software. PSS is not available for third-party software. Esri is not responsible for errors attributable to third-party software used in conjunction with or built upon Software.

3.3 English Language. All communications will be conducted in the English language except by written agreement of both Parties.

3.4 Acknowledgment. Licensee acknowledges and agrees that Esri does not represent, warrant, or guarantee that Software errors or defects can or will be corrected. At Esri's sole discretion, Esri will correct Software errors and defects, which will be subject to Esri's release schedules.

3.5 Current on Maintenance. Licensee shall remain current on Standard Maintenance during the term of this PSS Agreement. Standard Maintenance is described in the Esri US Software Maintenance Program at <http://www.esri.com/legal/pdfs/us-sw-maintenance.pdf>, which may be changed from time to time.

3.6 Exceptions to PSS. The following are not covered by this PSS Agreement:

- a. Any problem resulting from a Licensee's misuse, improper use, unauthorized modification, or damage of the Software or a Licensee's combining or merging the Software with any hardware or software not supplied or identified as compatible by Esri;
- b. Any problem resulting from third-party hardware or software;
- c. Errors in any version of the Software other than the officially supported version of Software; and
- d. Any on-site dispatch of Esri staff to support the resolution of PSS issues.

ARTICLE 4—TERM AND TERMINATION

4.1 Term. The term of this PSS Agreement commences on the Effective Date. Licensee may automatically renew this PSS Agreement on an annual basis pursuant to Article 5 of this PSS Agreement provided Licensee is current on Standard Maintenance.

4.2 Termination for Convenience. Either Party may elect not to renew this PSS Agreement for its sole convenience at the end of any term. Either Party shall provide the other written notice of termination no less than ninety (90) calendar days prior to the end of any term.

4.3 Termination. Either Party may terminate this PSS Agreement for a material breach that is not cured within ten (10) calendar days after written notice to the other Party, or for bankruptcy or insolvency of the other Party. In the event of termination for a material breach, the due dates of all invoices for amounts owed by Licensee to Esri shall be accelerated automatically so that such amounts become due and payable on the effective date of termination, regardless of the payment term provisions set forth in this PSS Agreement. Except where a provision specifically provides otherwise, any cause of action or claim of one Party accrued to or to accrue because of any breach or default of the other Party, and any accrued license rights shall survive to the degree necessary to permit their complete fulfillment or discharge.

ARTICLE 5—COMPENSATION

5.1 Pricing. Pricing for renewals and any new or additional PSS offerings shall be in accordance with Esri's most current price schedule at the time of purchase or renewal.

5.2 Invoices. Licensee shall issue a purchase order upon execution of this PSS Agreement, and Esri shall issue an invoice to Licensee. No later than ninety (90) calendar days prior to the expiration of the then current term of this PSS Agreement, Esri shall provide Licensee with a quote for the annual renewal of this PSS Agreement. In the event Licensee issues a purchase order for the annual renewal, Esri shall issue an invoice to Licensee.

5.3 Purchase Order Requirements

- a. Any purchase orders issued by Licensee shall reference and be subject to the terms and conditions of this PSS Agreement. No additional or different terms contained in a purchase order or ordering document shall be binding.
- b. The following information shall be included in each purchase order:
 - (1) Licensee's name and Esri customer number;
 - (2) A purchase order number;
 - (3) Applicable annual payment due; and
 - (4) On the face of the purchase order, print the following statement: "Subject to PSS Agreement No. 2012SLA1199."

ARTICLE 6—CONFIDENTIALITY

6.1 Confidential Information. For the performance of obligations under this PSS Agreement, each Party acknowledges it may disclose ("Disclosing Party") or receive ("Receiving Party") information of a confidential or sensitive nature ("Confidential Information"). Confidential Information shall be designated by Disclosing Party in writing or orally and confirmed in writing within thirty (30) calendar days of disclosure as "Confidential," "Proprietary," "Trade Secret," or other similar term. The following information shall be excluded from the definition of Confidential Information:

- a. Information that is or becomes available to the public through no breach of this PSS Agreement;
- b. Information that is already known to Receiving Party and can be shown to be in its possession at the time of disclosure;
- c. Information that was received by Receiving Party without any duty of confidentiality;
- d. Information that is rightfully received by Receiving Party from a third party that is not under a nondisclosure obligation to Disclosing Party; and
- e. Information that is independently developed by either Party without reference to Confidential Information.

6.2 Nondisclosure Obligations. Each Party regards its Confidential Information as commercially sensitive, proprietary, and confidential. Receiving Party shall use Confidential Information only in connection with the performance of this PSS Agreement. Receiving Party shall protect Confidential Information using at least the same degree of care Receiving Party uses to protect its own confidential information of a similar nature, but no less than reasonable care. Without limiting the foregoing, Receiving Party agrees that it will protect the Confidential Information at all times by:

- a. Not disclosing Confidential Information, or the fact that it has been obtained, to any third party without prior written consent of Disclosing Party;
- b. Not disclosing Confidential Information to employees or contractors who do not have a need to know Confidential Information; and
- c. Ensuring that all employees and contractors who gain access to Confidential Information have been informed of their confidentiality obligations regarding Confidential Information and have agreed to be bound by them.

Each Party is permitted to disclose Confidential Information (i) to the government only as required by law; (ii) to a court of competent jurisdiction pursuant to a court order; or (iii) to internal or external legal, financial, or tax advisers under an appropriate confidentiality obligation. If disclosure of Confidential Information is required by the government or by a court, Receiving Party shall (i) disclose only as much of the Confidential Information as is required and (ii) provide reasonable notice and assistance to Disclosing Party so it may file for a protective order.

6.3 Remedies for Disclosure. Receiving Party acknowledges that any breach of this Article 6 Confidentiality may cause Disclosing Party irreparable harm and that, in the event of such breach, in addition to any and all remedies at law, Disclosing Party shall have the right to seek an injunction, specific performance, or other equitable relief in any court of competent jurisdiction to prevent violation of these terms and without the requirement of posting a bond or undertaking or proving injury as a condition for relief. Receiving Party hereby agrees to submit to the personal jurisdiction of any such court only for purposes of an action seeking such relief. Disclosing Party is entitled, if the underlying suit is successful, to recover all costs and expenses incurred in such action, including reasonable attorney fees.

6.4 Limited Rights. Disclosing Party's disclosure of Confidential Information to Receiving Party shall transfer any rights to Confidential Information, except for the right to use Confidential Information in connection with the obligations of this PSS Agreement. No license, title, interest, or other proprietary right is granted or implied by the disclosure of Confidential Information.

6.5 Return of Materials. Upon Disclosing Party's written request or upon termination of this Agreement, Receiving Party agrees to promptly return to Disclosing Party any materials or documents, whether or not furnished by Disclosing Party, containing Confidential Information, together with all copies thereof made by Receiving Party, or to destroy such items and deliver to Disclosing Party written confirmation that said materials or documents have been destroyed, excluding Confidential Information included in backup tapes or other archival records that are not readily accessible by Receiving Party personnel. When applicable, Esri may continue to hold and use certain Confidential Information that was provided for technical support purposes, including ongoing troubleshooting, bug testing, and performance testing, and to maintain consistency with future version releases (for problems resolved).

ARTICLE 7—LIMITED WARRANTIES AND DISCLAIMERS

7.1 Limited Warranties and Disclaimers. All services provided pursuant to this PSS Agreement shall be performed in a professional and workmanlike manner. This PSS Agreement is subject to the terms and conditions of this PSS Agreement and the Esri US Software Maintenance Program at <http://www.esri.com/legal/pdfs/us-sw-maintenance.pdf>, which may be changed from time to time.

7.2 General Disclaimer. ESRI DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SYSTEM INTEGRATION, AND NONINFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. ESRI DOES NOT WARRANT AND DISCLAIMS THAT PSS OR ANY SERVICES PROVIDED HEREUNDER WILL MEET LICENSEE'S NEEDS; THAT LICENSEE'S OPERATION WILL BE UNINTERRUPTED, ERROR-FREE, FAULT-TOLERANT, OR FAIL-SAFE; OR THAT ALL NONCONFORMITIES CAN OR WILL BE CORRECTED. PSS IS NOT DESIGNED OR INTENDED FOR USE IN ENVIRONMENTS OR APPLICATIONS THAT

MAY LEAD TO DEATH, PERSONAL INJURY, OR PHYSICAL PROPERTY/ENVIRONMENTAL DAMAGE. ANY SUCH USE SHALL BE AT LICENSEE'S OWN RISK AND COST.

7.3 Internet Disclaimer. BOTH PARTIES EXPRESSLY ACKNOWLEDGE AND AGREE THAT THE INTERNET IS A NETWORK OF PRIVATE AND PUBLIC NETWORKS AND THAT (i) THE INTERNET IS NOT A SECURE INFRASTRUCTURE, (ii) NEITHER PARTY HAS CONTROL OVER THE INTERNET, AND (iii) NEITHER PARTY IS LIABLE FOR DAMAGES UNDER ANY THEORY OF LAW RELATED TO THE DISCONTINUANCE OF OPERATION OF ANY PORTION OF THE INTERNET OR POSSIBLE REGULATION OF THE INTERNET THAT MIGHT RESTRICT OR PROHIBIT THE OPERATION OF THIS PSS AGREEMENT OR SERVICES PURSUANT TO THIS PSS AGREEMENT.

7.4 Error and Nonconformities Disclaimer. ESRI SHALL NOT BE RESPONSIBLE FOR ANY ERROR OR NONCONFORMITIES ATTRIBUTABLE TO A MODIFICATION TO ESRI SOFTWARE, DATA, AND DOCUMENTATION; LICENSEE'S OR ITS LICENSOR'S SOFTWARE, APPLICATION, COMPONENT, SOURCE CODE, DATA, GEODATABASE, OR OTHER INFORMATION OR TECHNOLOGY; OR THIRD-PARTY APPLICATIONS MADE BY OR AT THE DIRECTION OF LICENSEE.

ARTICLE 8—LIMITATION OF LIABILITY

8.1 Disclaimer of Certain Types of Liability. ESRI SHALL NOT BE LIABLE TO LICENSEE FOR COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; LOST PROFITS, LOST SALES, OR BUSINESS EXPENDITURES; INVESTMENTS; BUSINESS COMMITMENTS; LOSS OF ANY GOODWILL; OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATED TO THIS PSS AGREEMENT OR SERVICES PURSUANT TO THIS PSS AGREEMENT, HOWEVER CAUSED ON ANY THEORY OF LIABILITY, WHETHER OR NOT ESRI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

8.2 General Limitation of Liability. ESRI'S TOTAL CUMULATIVE LIABILITY HEREUNDER, FROM ALL CAUSES OF ACTION OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, CONTRACT, TORT, STRICT LIABILITY, BREACH OF WARRANTY, MISREPRESENTATION, OR OTHERWISE, SHALL NOT EXCEED THE AMOUNTS PAID BY LICENSEE FOR THIS PSS AGREEMENT.

8.3 Applicability of Disclaimers and Limitations. The Parties agree that Esri has set its prices and entered into this PSS Agreement in reliance on the disclaimers and limitations set forth herein, that the same reflect an allocation of risk between the Parties, and that the same form an essential basis of the bargain between the Parties. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY.

ARTICLE 9—GENERAL PROVISIONS

9.1 Force Majeure. If the performance of this PSS Agreement, or any obligation except the making of payments, is prevented, restricted, or interfered with by reason of fire, flood, earthquake, explosion, or other casualty or accident; strikes or labor disputes; inability to procure or obtain delivery of parts, supplies, or power; war, terrorist act, cyber attack, or other violence; any law, order, proclamation, regulation, ordinance, demand, or requirement of any governmental agency; or any act or condition whatsoever beyond the reasonable control of the affected Party, the Party so affected, upon giving prompt notice to the other Party, shall be excused from such performance to the extent of such prevention, restriction, or interference.

9.2 Nonsolicitation of Esri Personnel. Licensee shall not solicit for hire any member of Esri's technical staff who is associated with this PSS Agreement while the PSS Agreement is in effect and for a period of one (1) year thereafter. If this provision is breached, liquidated damages equal to twelve (12) months of the Esri's technical staff's compensation plus any legal expenses associated with the enforcement of this provision shall be paid by Licensee to Esri.

9.3 UCC Inapplicability. Any of the services provided pursuant to this PSS Agreement shall not be governed by the Uniform Commercial Code ("UCC") and shall not be deemed "goods" as defined by the UCC.

9.4 Severability. If any provision of this PSS Agreement is determined to be invalid, illegal, or unenforceable, the Parties agree that the remaining provisions of this PSS Agreement shall remain in full force if both the economic and legal substance of the transactions contemplated by this PSS Agreement are not affected in any manner that is materially adverse to either Party by severing the provision determined to be invalid, illegal, or unenforceable.

9.5 No Implied Waiver. The failure of either Party to enforce any provision of this PSS Agreement shall not be deemed a waiver of the provisions or of the right of such Party thereafter to enforce that or any other provision.

9.6 Assignment and Delegations. Esri may, in whole or in part, assign any of its rights or delegate any performance pursuant to this PSS Agreement, provided that Esri shall remain responsible for the performance of delegates.

9.7 Export Control Regulations. Licensee shall comply with all applicable laws and regulations of the United States and other countries including, without limitation, applicable US and international import and export laws. Software, Data, Documentation, any underlying information or technology, and Confidential Information shall not be exported, reexported, or provided in whole or in part, to (i) any country to which the United States has embargoed goods; (ii) any person on the US Treasury Department's list of Specially Designated Nationals; (iii) any person or entity on the US Commerce Department's Denied Persons List; or (iv) any person or entity where such export, reexport, or provision violates any US export control law or regulation.

9.8 Governing Law and Arbitration. This PSS Agreement shall be governed by and construed in accordance with the laws of the State of Kansas without reference to conflict of laws principles. Any controversy or claim arising out of or relating to this PSS Agreement, or the breach thereof, which cannot be settled through negotiation, shall be finally settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. If Licensee is a US Government agency, this PSS Agreement is subject to the Contract Disputes Act of 1978, as amended (41 USC §§601-613), in lieu of the arbitration provisions of this clause.

9.9 Headers. Headers are for convenience only and are not to be used in the interpretation of this PSS Agreement.

9.10 Taxes. Services provided are quoted exclusive of all state, local, value-added, or other taxes, and customs, duties, or other charges (other than income taxes payable by Esri). In the event such taxes and/or charges become applicable to Esri's services provided pursuant to this PSS Agreement, Esri Software, Data, or Documentation, Licensee shall pay any such applicable taxes and/or charges upon receipt of written notice that such taxes and/or charges are due.

9.11 Entire Agreement. This PSS Agreement constitutes the sole and entire agreement of the Parties as to the subject matter set forth herein and supersedes any previous agreements, understandings, and arrangements between the Parties relating to such subject matter. Additional or different terms included with an order or other document of Licensee shall not be binding upon Esri. Any modification(s) or amendment(s) to this PSS Agreement must be in writing and signed by an authorized representative of each Party.
